What you need is a spring tonic for the blood. It is house-cleaning time for the body. The action of Doctor Pierce's Golden Medical Discovery, the famous blood purifier, is noticed first in the rejuvenated feelings, for you feel stronger, your eyes get brighter. Pimples, sores and boils, resulting

from the poisons and impurities in the blood, clear up and disappear. People who have that run-down, tired condition usually have impure or impoverished blood, and in such cases they should take a safe vegetable medicine made without alcohol, such as Dr. Pierce's Golden Medical Discovery, the perfect herb-tonic. The first day you start to take

this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled thru the eliminative organs.

In place of the impurities, arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and skin blemishes will disappear. Then you must remem-ber that when the blood is right the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache and constipation.

Get Dr. Pierce's Golden Medical Discovery to-day from any medicine dealer, in tablets or liquid. It is a powerful blood purifier, so penetra-ting that it gets at the impure deposits and carries them out of the system.

Depend upon this grand remedy to give you the kind of blood that makes the skin clear, the mind alert,

the vision keener and puts ambition and energy into the entire body. You won't be disappointed.
